

Intuition Skill Building I & II Class

I believe that we all have access to intuition. Developing this sixth sense is a matter of paying attention to the very subtle signs provided by spirit, listening and acting. There is no magic; no science. Sometimes we just need to clear the path to be who we really came here to be.

I am thrilled to teach this 2-day class for budding psychics. This class is accelerated for all of you that know that you are intuitive, but need the tools to start doing readings for yourself and for others.

What you will gain from Intuition Skill Building I & II

- Learn how to obtain information by going to the Akashic Records
- Learn about chakras and how our energy centers tell us about our mental, physical, emotional and spiritual state of being
- Learn how to do chakra readings
- Learn about auras and how they reflect our “inner worlds” to the “outer world”
- Learn how to do aura readings
- Have an opportunity to do a past life regression in which you will view a lifetime or lifetimes in which you used your intuition and learn how to “channel” this gift in the present day
- Meet your spirit guide, higher self and Akashic record guide

According to Edgar Cayce, “The Akashic Records are the storehouse of all information for every individual who has ever lived upon the earth, containing every word, deed, feeling, thought, and intent that has ever occurred”

About Psychic Medium, Rhonda O’Brien

*Intuitive Counselor
Author
Teacher
Past Life Regressionist*

I have been intuitive all of my life. I started having profound psychic experiences at the age of 21 that I did not understand, was terrified of and ran away from. It took me seven years to accept this “gift.” Once I did embrace this ability my life of chaos turned around completely.

Since 1998 I have channeled nine books (published one) and have been involved in energy work and intuitive counseling. My practices revolve around helping people help themselves by connecting them to their spiritual self.

I have taught a 3-day seminar on Hawaiian Healing modality since 2002 and have apprenticed with Laurie Grant, an internationally known spiritual teacher based out of Hawaii.

I obtain information in my readings with the aid of my client’s higher self by going to the Akashic records. I am honored to be able to guide others to this wonderful, spiritual and, often times, therapeutic method of giving intuitive readings.
